

December 2010

The following pictures have been selected out of about 170 dogs and about 60 cats, all animals have been taken into our shelter between the 1st and the 31st of December. Here you can see that there is still plenty to do for us.

If you're in Samui and you see any dogs or cats in need of medical treatment, please get in touch with us, the quicker we can treat the animal the better the chance for the animal to make a full recovery.

Fortunately in December we didn't have so many serious cases like the month before. We hope this change in trend will hold.
