

# JULY 2010

The following pictures have been selected out of about 170 dogs and about 70 cats, all animals have been taken into our shelter between the 1<sup>st</sup> and the 31<sup>st</sup> July. Here you can see that there is still plenty to do for us.

If you're in Samui and you see any dogs or cats in need of medical treatment, please get in touch with us, the quicker we can treat the animal the better the chance for the animal to make a full recovery.

This is FILZIE: without any resistance he tolerated patiently that we took off his "shell"; that task finished, he could immediately go back home to his "master". His "master" must be blind and somewhat out of his wits- that's all I can say at the moment!  
But now we know where FILZIE lives and we are going to keep an eye on him!
