Dear Animal friends

July 2018

Once again we had a rather uninvited guest visiting our shelter in Baan Taling Ngam the other day. Not too long ago we found a similar sized Python in our puppy house at the shelter – stuck inside a little single box and unable to come back out due to the fact that she had just killed and eaten two cats who were recovering in that box ☹

Thankfully this time the Python decided to enter the shelter in broad daylight and was OF COURSE immediately sensed by all our dogs in the kitchen area who alerted our staff. We circled her in and immediately called Phil from the Snake Rescue who responded in with no time and caught the monster.

Phil has been doing an amazing job catching (and releasing them again in the mountains) snakes for many years in Koh Samui. If you should ever need his help, please call him and kindly reward him with a small donation – thank you. Here are his contact details: 24 hr snake and wildlife rescue and relocation on Samui, Phone: 0896635085. Email: [Phil\\_brookie@yahoo.com](mailto:Phil_brookie@yahoo.com)

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
