Dear Animal friends

November 2018

Unbelievable that this is already the last info letter before Christmas. Brigitte will be in Germany over Christmas, leaving in the middle of December and returning back to Samui at the end of the month. Even though we are a small team, we will once again give our best to have everything covered and help as many dogs and cats as possible. We are happy to have found a new full time support in the office and have welcomed Annette to our DRCS-Team. She will be staying most days at our office in Chaweng – taking a big stone off Jay’s shoulder too – especially when Brigitte is in Germany. Thankfully our manager Wit is still going absolutely strong every single day, and will keep things together as always. In case you have trouble getting through our main Dog Rescue Number, here is **Wit’s number: 087 895 89 28**

as well as the number from our outside Team in case you have for example mangy dogs to report or any other cases they can probably help you with.

Linda: 0800 765 770 and **Jay: 0862 790 378** have been with us for many years and with the support of Tom from Switzerland have been making sure that an uncountable number of dogs and cats can be treated successfully outside our already pretty full shelter.

We are still in need of TOWELS, CURTAINS or OLD BEDSHEETS, anything we can use to keep our sick and injured doggies warm and dry. THANK YOU for helping us to help!

Thank you very much for all your help! We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!
