Dear Animal Lovers on Koh Samui,

October 2009

We finally got it! Thanks to the SOS Internet AG in Binningen, Switzerland and many other supporters of the Dog and Cat Rescue Center Samui, we have now got our desperately needed 2nd hand van! Our presidents' trip to Chiang Mai has been well worth it and we all celebrated the moment he showed up with the car. A huge thank you to the SOS Internet AG for their generous donation of 200,000 Baht! 50,000 Baht came together from donations all over Koh Samui, big Thank You to everyone who supported us! However, 80,000 Baht is still needed to pay off the van.

We are positive that we did a good job preparing for this years monsoon. We have already taken early precaution and filled hundreds of sandbags in order to stave off the monsoon rains and its often devastating consequences. Hopefully we don't need the sandbags this year.

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists and everyone living on this island. Our four-legged friends are most grateful for your contribution!

Best wishes
Brigitte
