Dear Animal Lovers on Koh Samui,

September 2014

**The Bear Family** came all the way from Australia to see us and brought 35kgs of goodies with them for the Dogs and Cats plus they also received donations to purchase items you see on the table from Nas Khan, Natarsha Vella, Greencross Vet - Hoppers Crossing and Best Friends - Point Cook. Thank you so much!

Thank you very much to the staff of the **Four Seasons Hotel** who came to help at the shelter and have also collected almost 4,000 Baht in donation. In their staff area they also have a donation box from us where they collected another 1,450 Baht **THANK YOU VERY MUCH!**

At the shelter we are facing a hard time at the moment, we had to temporarily stop our neutering program. The Anaesthetic-medication we usually use (Nembutal for dogs and Zoltil for cats ) has been unavailable in the whole of Thailand. We will try and get our hands on as much as possible as soon as it's back on the market. Usually there is only a small amount available which has to be split between the veterinaries all over Thailand. We have been forced to buy an anaesthetic machine in order to do at least some operations every day. This machine costs 250,000 Baht! Donations towards it are very much appreciated!

## Operation list August 2014

DOG (FEMALE)	DOG (MALE)	CAT (FEMALE)	CAT (MALE)	OTHER	TOTAL

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
