Dear Animal Friends on Koh Samui,

December 2015

HAPPY NEW YEAR 2016!

We hope you had a lovely Christmas break and have had a good start into the New Year.

Of course the dogs and cats on Samui need us this year as much as they did in the past years and we are hopeful to be able to continue making a difference for our 4-legged friends. The number of animals we have treated at our shelter in Baan Taling Ngam, at the temples all around Samui as well as on the road or in little neighborhoods is huge. Every year it gets more expensive to keep the Dog and Cat Rescue Foundation up and running. We depend on your help and support, and

We would like to Thank EVERYONE who has supported us throughout the year 2015!
As a volunteer or through your donation,
THANK YOU!

Also in 2016 we count on your help and support so we can continue helping the dogs and cats on Samui. We hope that this year we can go ahead with the planned and well needed make-over of our shelter. Our Outside&Temple-Team Jay, Linda and Tom hope that it will also be financially possible to have all our temple dogs (we work at around 20 temples and many villages all around Samui – some of them have more than 40 dogs) vaccinated – which would be very important. We have worked with those animals for many years, all the resident temple dogs are spayed and were at some point vaccinated but are in desperate need of a booster to prevent a possible outbreak of distemper or parvovirus.

Operation list November 2015

DOG (FEMALE)	DOG (MALE)	CAT (FEMALE)	CAT (MALE)	OTHER	TOTAL
114	16	13	5	16	164

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes

Of course the dogs and cats on Samui need us this year as much as they did in the past years and we are hopeful to be able to continue making a difference for our 4-legged friends. The number of animals we have treated at our shelter in Baan Taling Ngam, at the temples all around Samui as well as on the road or in little neighborhoods is huge. Every year it gets more expensive to keep the Dog and Cat Rescue Foundation up and running. We depend on your help and support, and

We would like to Thank EVERYONE who has supported us throughout the year 2015!
As a volunteer or through your donation,
THANK YOU!

Also in 2016 we count on your help and support so we can continue helping the dogs and cats on Samui. We hope that this year we can go ahead with the planned and well needed make-over of our shelter. Our Outside&Temple-Team Jay, Linda and Tom hope that it will also be financially possible to have all our temple dogs (we work at around 20 temples and many villages all around Samui – some of them have more than 40 dogs) vaccinated – which would be very important. We have worked with those animals for many years, all the resident temple dogs are spayed and were at some point vaccinated but are in desperate need of a booster to prevent a possible outbreak of distemper or parvovirus.

Operation list November 2015

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!
