Dear friends and supporters of the Dog & Cat Rescue Foundation Samui

We are still shocked by the early death
of our founder and director of the
Dog and Cat Rescue Foundation Samui
Brigitte Gomm

We will do everything to continue their life's work, as the cats and dogs on Koh Samui need us more than ever.

Due to the ongoing pandemic and the extreme financial crisis in Thailand, which particularly affects the holiday regions such as Koh Samui, more and more dogs and cats are straying around.

We neuter up to 5 animals daily to prevent or minimize the uncontrolled population!

At this time we have to feed and provide medical care to more than 1000 dogs on the island, on the streets, in the temples and of course in our shelter.

They almost always have only us and wait all day for their food ration and a few strokes.

Please continue to help us so that we can give a life to the poor strays here.

Thank you so much,

Marcus & team

The ceremony followed by a funeral for our Brigitte takes place at Wat Sawang Arom in Bophut from 16.08.21 – 18.08.21.

Instead of friendly wreath and flower donations, we ask in the sense of Brigitte a donation to the Dog and Cat Rescue Foundation.
