

November 2011

The following pictures have been selected out of about 180 dogs and about 95 cats, all animals have been taken into our shelter between the 1st and the 30th of November. Here you can see that there is still plenty to do for us.

If you're in Samui and you see any dogs or cats in need of medical treatment, please get in touch with us, the quicker we can treat the animal the better the chance for the animal to make a full recovery.

Because of the big flooding in the first two weeks of November we had fewer patients in this month.
