Koh Samui, July 2023

Dear friends and supporters Dog and Cat Rescue Foundation Samui!

First things first, a big thank you to all of you!

Without you it would **Dog & Cat Rescue Samui Foundation** don't exist and we couldn't handle the many hundreds of dogs & cats daily provide them with food and medicine, not to mention them many **sterilizations & operations**, that we do every day!

In the last almost 25 years we have spayed more than 30,000 dogs and cats

At least 5 cats and/or dogs are sterilized every day!

Unfortunately, we continue to hear on the streets, on the beach, and even at the temples of **poisoning**, abuse and accidents. A few weeks ago 2 of our darlings were poisoned on 7/11 near the old pier!

Our shelter, with your help, is one of the few safe places on Samui for all strays.

We are very pleased that **more and more visitors and supporters** have found their way to us lately. It is always an experience for our dogs and cats when guests come to us with treats and/or cuddles!

Many thanks also to **Sophia Thomalla** for her lovely visit and her support!

It is great for our dogs and cats that many visitors from the island, but also from all over the world, find their way back to us.

Tourists, guests, long-time supporters and many friends are now coming almost every day to give our 4-legged friends pets and cuddles. We are very happy about donations in kind, such as **food and collars as well as tools, building materials etc.** and financial support so that we can pay for medicine, wages, food etc.!

We are also very happy about **(old) towels**. So if you should still have a few KG free on your trip to Samui, please fill your suitcases with it!!!

Visitors are welcome every day!

Ulla-Britt with her husband from Sweden

Karin & Fränk from Luxembourg

We are there 7 days a week and look forward to everyone which finds its way to us in Chaweng and also in Ban Taling Ngam.

Here are some of our visitors since January 2023 in Ban Taling Ngam and Chaweng!

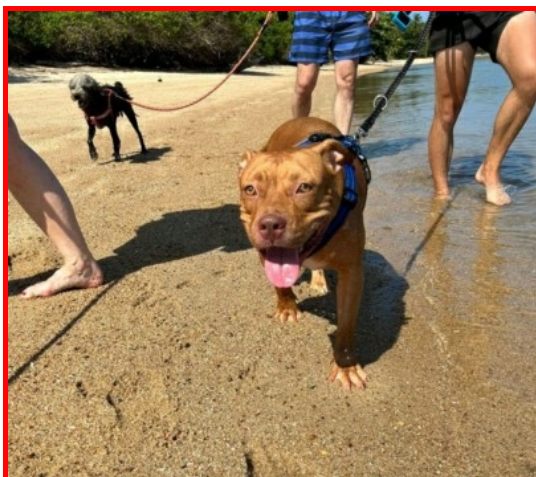

Many, many thanks for the great donations: Souvenirs, towels, toys, medication, food, leashes, collars, money, etc.

Many thanks to our **many volunteers**, especially **Anna from Austria and Yannik from Germany** for their commitment and great ideas!

Thank you again to the **Kimpton Kitalay Samui** ! The great team around GM Michael Janssen picks up a few dogs from us once or twice a month, to introduce them to their guests in the specially created "Dog Park"!

Furthermore, our foundation banner will be hung up and donations will be collected for us!

A great campaign that is well received by the guests and helps animal welfare!

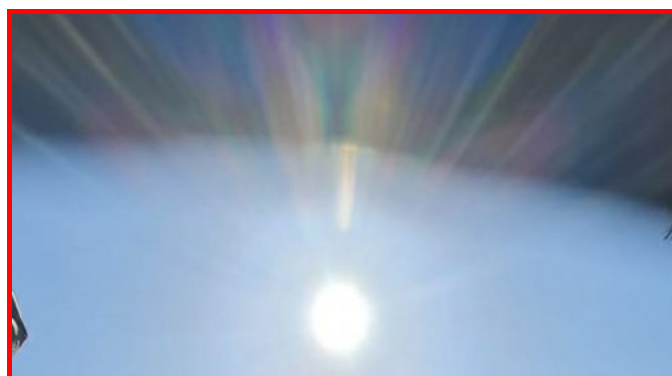

In a short time, another unbelievable donation of 30,000 baht has come together!!!

We always need **flight sponsors** who bring our darlings to their new owners overseas.
Please contact us, also gladly to take serum for the blood test!

Many darlings could fly overseas to their new homes. We are happy that so many dogs and cats from and in Germany, Switzerland, Austria, France, Spain, but also the USA and UK have found a new home.

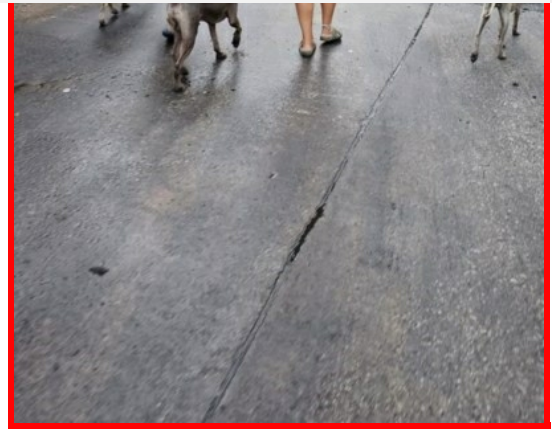

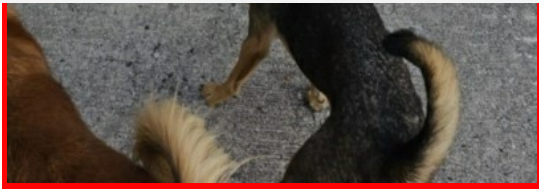

Here is an insight into our many projects on the island, **including feeding and medical care of about 160 dogs at the old pier in Ban Kao!** **Many thanks to the many volunteers and visitors, who do not hesitate to accompany us.** **Everyone is welcome to get to know the many great dogs there**

We have been helping at the landfill and waste incineration for many years now.
One can hardly imagine the circumstances under which the dogs and people live there!

We help the poor population all over the island and support them with food and medicine. **We also sterilize your darlings for free!**

Thank you **Greenacre International School** for inviting us to bring animal welfare to our students!

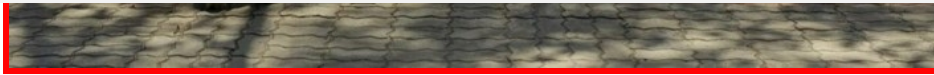

Also many thanks to the **International School Samui ISS** and her students for their volunteer work and donation!

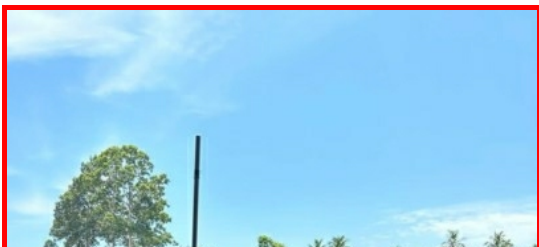

For many years we have been **supporting the temples on Koh Samui** with food for their dogs and cats as well as sterilization, medical care etc. **We would like to thank the monks for their cooperation.**

Here are just a few more impressions of our work, many daily emergencies that we treat for free! But also many beautiful moments with our dogs and cats and the many visitors!

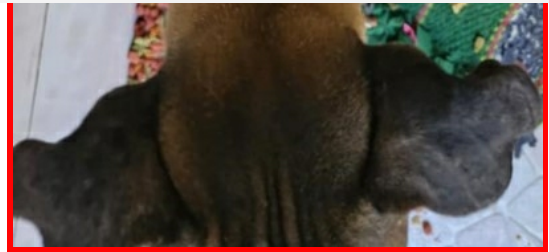

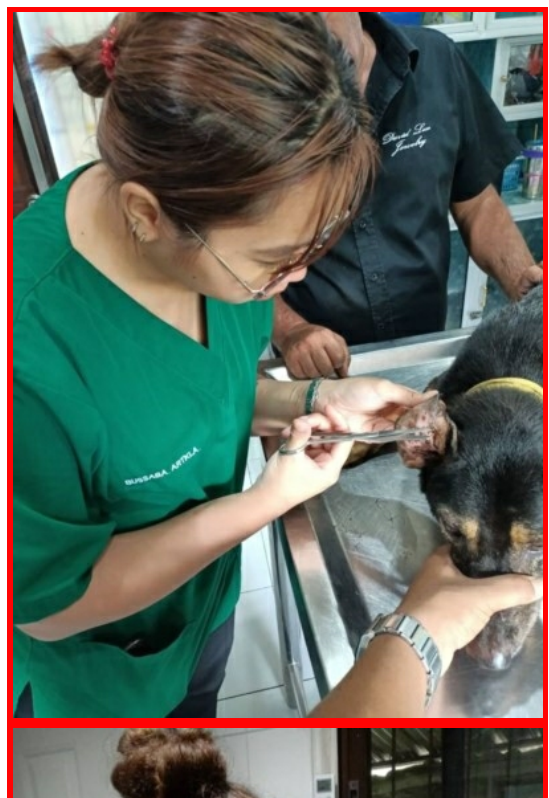

We **absolutely need remedies like Simparica, Nexgard Spectra and Bravecto** against the many parasites, such as ticks, fleas and mites (mange) for our projects outside, but also in the shelter!
A pack costs around 35 euros and on average we can treat 9 dogs with it!

Koh Madsum (Pig island)

We are happy again that **many volunteers also find their way to us as doctors or aspiring doctors!**

We help with food and medical supplies everywhere on the island!

Luckily, we always have volunteers who drive around the island to feed and look after their pets.

We will also continue to **help on the mainland** in the future, because I think that our commitment to animal welfare does not have to end at Samui's borders!

Vielen Dank an die **Stichting Buitenlandse Asielen**,
Foundation for Foreign Animal Shelter from the Netherlands for their support!

Dog and Cat Rescue Samui Foundation, Koh Samui, Thailand

Midden in de nacht schreef Marcus, de beheerder van het asiel, zijn verhaal voor deze Nieuwsbrief. Overdag ontbreekt hem namelijk de tijd voor dit soort zaken en moet hij deze in de avond afhandelen.

In het asiel verblijven op dit moment ongeveer 350 honden en 130 katten. Het terrein van het asiel met alle hokken, opbergruimten en speelvelden is ongeveer 8000 vierkante meter groot. De honden en katten worden heel goed van eten, drinken en medische zorg voorzien. Zij hebben het best naar hun zin. Meer dan 10 jaar geleden werd het tempelproject in het leven geroepen. Dit houdt in dat alle dieren, die in de buurt van 20 tempels zwerven, door de mensen van het asiel dagelijks worden gevoerd. Indien nodig wordt ook medische hulp geboden.

Iedere dag trekt Marcus met de auto eropuit om meer dan 1000 zwervhonden en zwervkatten op diverse locaties te voeren en water te geven. Deze dieren worden ook in de gaten gehouden om te kijken of er sommige een medische behandeling nodig hebben.

Dit alles kost veel geld. Dus fondsenwerving staat bij hem hoog op de agenda. Marcus heeft het druk. Iedere dag. Genieten van het toeristische eiland is er voor hem niet bij. Dit jaar werd wel de 24ste verjaardag van het asiel gevierd.

In een toespraak werd gemeld dat het asiel voor de eerste dierenarts op het eiland had gezorgd. En dat in de laatste jaren meer dan 30.000 honden en katten werden gesteriliseerd of gecastreerd. Meer dan 50.000 honden en katten werden opgevangen en gered. Alleen al in 2022 neutraliseerde de dierenarts op kosten van het asiel 1239 honden en 618 katten. De professionele dierenarts van het asiel verrichtte 557 operaties zoals bij voorbeeld amputaties, operaties na ongelukken.

Omdat Marcus, ondanks alle drukte voor zo'n goede sfeer in het asiel zorgt, kan hij rekenen op de hulp en inzet van veel vrijwilligers. Marcus kan ook op de SBA rekenen. Wij zijn ongelooflijk trots op hem.

We are very happy that friends and supporters have a new, founded the **second non-profit association in Germany!**

Here are the new bank details. Here the bank has waived the account management fees for the first 2 years!

This is just a glimpse of our daily work for the poor souls on Samui's streets.
For up-to-date information, **please follow me on Facebook and Instagram** at:

and

Dog and Cat Rescue Samui Foundation.

There I post current articles about the Dog Rescue Center and the island of Koh Samui every day.

Unfortunately the exchange rate Euro to Thai baht is still very bad for us.

Here, too, unfortunately, the costs for food, medicine, electricity and petrol are increasing almost every day!

**Please remember, the poor dogs and kittens almost always only have us
and wait the whole day for their food ration and a few cuddles!**

A 20 kg feed bag costs approx. 20 euros!

Please continue to help us so that we can give the poor strays a life here.

We are very happy about **sponsorships** for the dear souls in our shelter who couldn't find a place to survive on the street!

Thanks to everyone for your **constant commitment to animal welfare!!!** Without you we could never carry out these treatments and feedings and thus save the lives of many fur noses every day!

Please continue to support us so that we can continue Brigitte's life's work!

Your Marcus & team & furnoses
