Koh Samui, November 2024

Dear friends and supporters Dog and Cat Rescue Foundation Samui!

**First of all, thanks again for the great support for our foundation  
and thus for the poor animals on Koh Samui's streets!**

Without you, the Foundation cannot exist and we would not be able to provide the many hundreds of dogs and cats with food and medicine every day, not to mention the many sterilizations and operations that we perform every day!

In the last 25 years, we have **sterilized more than 35,000 dogs and cats** and saved countless lives!

By the way, we do not receive any support from the government or any other institution!

**I have so many dear friends to thank who have supported us for so many years. And of course the ever-growing community of volunteers, students, helpers and many more from all over the world!**

We have so many events every day around the Foundation with our two locations in Chaweng and Ban Taling Ngam that the newsletters are not enough to keep you fully informed.

So please follow us on [Instagram](#), [Facebook](#) and, most recently, [TikTok](#).

We can proudly say that we already have over **5,000 real followers on Facebook** and the number is growing every day!

Of course, as always, an important, **large pillar is our own veterinary clinic under the long-standing management of Dr. Sith.**

He is undisputedly a luminary in the field of sterilization.

We carry out between **5 and 10 castrations every day** in our clinic, as well as many other operations such as amputations, wound treatments, etc.

**Students and veterinarians from all over the world** come to us to learn from him and to work with him!

Many animal-loving visitors from all over the world found their way to us again to help and support us!

Here on the left photo is Nathan with his family from Luxembourg, who sponsor us with their sales of beautiful bracelets.  
Please take a look at their website:

[www.fauneo.fr](http://www.fauneo.fr)

On the right photo Alice and Guy from the UK, who brought lots of donations and lots of time for our darlings!

Incredible donations again from **Fränk and Karin from Luxembourg, Claudia and Bruno from St. Moritz, Andrea and Hölli from Germany, Johanna and Ed from the Netherlands** and many others, who have all supported us since the Dog Rescue Center was founded in 1999!

Mega donation of over 2000 euros from **Florence Bayer and her Facebook friends!**

**Adoptions: many, many dogs and cats have been adopted on the island, but have also been flown back to Germany and elsewhere in the world or are waiting for their flight!!!**

Here are great photos of **Tiger** in Germany, **Dao** in Switzerland, **Maddy** in Germany to Manuela, tomcat **Dusty** in Austria, **Smoothie** in Paris and many, many more! Thank you to all adopters, flight sponsors, **Christine and Detlef** in Bangkok and everyone else who helps to ensure that the darlings can travel to their new home

Our volunteer program, led by **Hasse from the Netherlands and Dr. David from Spain**, has become an indispensable pillar of our foundation! This greatly improves the individual care and support of our darlings every day! My very special thanks to both of them and of course to all short- and long-term volunteers, who often sacrifice their vacation to look after our furry friends.

Here **Lisa, Fiona, Hasse and I** (from right) present **our new shirts**, which can also be purchased in Germany via **Evelyn** from the German club.

Many, many more volunteers have found their way to us in the last few weeks and months to support us! They all work on a voluntary basis to help the poor animals on Koh Samui. My thanks go, of course, to everyone who helps for even just an hour or a day with feeding, walks the dogs, looks after and pets the cats in the cat house and of course also to our **long-term volunteers**.

Likewise, the many visitors from the **local population**, who are supporting us more and more with food and material donations

SOMEONE IS GOING ON A ADVENTURE 🐾

**PUP-PERONI SUPREME**

**If you would like to support us in this way, please contact us!**

Our new flyers have been printed and are being distributed on the island.

If you would like to have them to distribute, please contact us!

**Volunteer**

Volunteers are always welcome! Previous experience is not required - only a love for animals is what we ask for. Please come visit our house in Chaweng or our shelter in Taling Ngam.

**Treatment Program**

The DRCS treats sick and injured animals that would otherwise not receive veterinary care. Neutering, medical treatments and vaccinations we offer are free for every dog and cat - with or without owner.

**Hobo before & after treatment**

**Castration Program**

All of our castrations are carried out by our own Thai vet. We make 4 operations every day. Strays but also domestic dogs and cats whose owners can't afford the cost of castration. This is the only proven way to reduce the unwanted growth in the population of street dogs.

**HOW CAN YOU HELP**

Please help us feed the dogs & cats of Samui and inform us if you see an injured or ill animal.

**Sponsor a dog or cat:**

We have many animals waiting for a sponsor! You can sponsor a dog or cat for as little as 25 Euro a month. You will be sent a certificate and update pictures.

How to become a sponsor?

1. Go to [www.samuidog.org](http://www.samuidog.org)
2. Navigate to "How to Help"
3. Click "Adoption"

Here you'll find the dogs & cats that are still looking for a sponsor.

**Donate**

Donations make an incredible difference and allow us to feed, treat, shelter, and rehome more loving dogs & cats of Koh Samui. We have many donation boxes throughout Samui and you can also check our website for other donation methods. We have various donation accounts in many countries.

**The Dogs & Cats of Koh Samui Need Your Help!**

**OUR AIMS:**

- deworming and injecting all dogs & cats against rabies
- castrating/spaying all dogs & cats
- feeding those that otherwise go hungry
- treating injuries or sickness of those otherwise left suffering
- educating the people of Koh Samui about responsible pet-ownership
- sheltering and re-homing street dogs & cats
- treat dogs suffering from mange by injecting them with Ivomec or by washing them with Amitraz

**About us..**

We are an official Non profit foundation set up by a small group of animal lovers back in April 1999. At that time there was no vet on the island and countless sick and injured dogs and cats died in wretched ways as they were completely ignored and left laying by the roadside. We employed a vet and a team of helpers and started with our neutering program. Since then and with the help of our animal friends from all over the world we've come a long way! 2024 marks our 25th year anniversary and by now we have neutered more than 35.000 animals and given a forever home to over 350 dogs and cats.

**Dog and Cat Sanctuary**

Open every day between 9 AM and 5:30 PM

In 2003 we opened our big dog and cat shelter in Ban Taling Ngam on 7200 M2 of land. We have an operation room, a puppy house with a quarantine station, a cat house, 10 outside compounds and 50 single boxes.

Come visit us at the big shelter in Ban Taling Ngam or at our office and small treatment station in Chaweng.

If you fall in love with one of the dogs or cats here we can help you to bring it home. Over the years, many of the dogs and cats at the shelter have been given a forever loving home abroad.

**Cat House**

We have lots of cats too. They all love to get spoiled and a visit at one of our shelters can be great fun, even with young kids. The animals in the house are very friendly and don't mind being carried around.

Every evening we throw a big fish party at our small shelter in Chaweng

**Donate**

Donations make an incredible difference and allow us to feed, treat, shelter, and rehome more loving dogs & cats of Koh Samui. We have many donation boxes throughout Samui and you can also check our website for other donation methods. We have various donation accounts in many countries.

We are recognized as an official Non-profit foundation in Thailand, Germany, and Switzerland. Donations made from these countries are tax deductible.

**Temple Project**

For almost 2 decades, we have been providing dog & cat food, vaccinations, and medical attention for the dogs and cats at many of Samui's temples.

Every day, we feed approximately 600 dogs and cats in the shelter, at the temples, and on the streets on Koh Samui. Therefore we need more than 5000 kg of food per month. 10 kg of dry food costs approximately 12 Euro.

Great news: We have been able to build a **new, beautiful cat house in Chaweng**, measuring around 70 square meters! Our cats finally have a **little paradise** of their own there!

The 20-year-old cat house in Ban Taling Ngam is also due for renovation! The tiles have been broken for a long time and with the current rainy season in November, the water in the garden is so high that the cats can no longer get out.

**We have to completely cover this area of around 100 square metres** with roofs, re-concrete the floor and re-tile it.

If we can do the work with our workers, we expect the material costs to be around **4,500 euros!**

If we can raise a little more, we would invest the money in the **path to the street**, which is becoming more and more dilapidated, so that in some places it is almost impossible to drive in on a scooter.

**Please help us so that we can start construction immediately! We are recognized as a non-profit organization in Thailand, as well as in Germany and Switzerland and can therefore issue donation receipts for the tax office!**

---

Here are just a few of the patients who come to our clinic every day:

---

Here are a few photos of some of his operations. I wanted to spare you the worse pictures!

**Every day life-saving operations and a few before and after pictures**

**2 little babies came to us, both completely covered in glue,** their death certain without help.  
Our employee Khun Nueng spent days carefully removing the glue from both of them with oil.  
Now they live with a "surrogate mother" in the new cat house in Chaweng

Huge thanks again to **Nika** for coming back and helping! Bine and she adopted 2 dogs from the shelter to Slovenia at the beginning of the year (Taco & Natali)

---

It is great for our dogs and cats that many visitors from the island, but also from all over the world, find their way back to us.

Tourists, guests, long-time supporters and many friends come almost every day to give our four-legged friends a cuddle and a cuddle.

We are very happy to receive donations in kind, such as **food and collars, as well as tools, building materials, etc. and financial support** so that we can pay for medicine, wages, food, etc.! We are also very happy to receive (old) towels. So if you have a few kilos left on your trip to Samui, please fill your suitcases with them!!!

**Visitors are welcome every day!**

We are here 7 days a week and are happy about everyone who finds their way to us in Chaweng and also in Ban Taling Ngam.

Many, many thanks for the great donations: Souvenirs, towels, toys, medication, food, leashes, collars, money etc.

---

**In our cathouse in Ban Taling Ngam we have a big fish party every day** for more than 100 cats.

We buy fresh fish at the market and then cook it for our furry friends!

They also receive vitamins, additional proteins and medicine if they suspect they have cat flu, which is unfortunately extremely common on Samui and almost no cat is spared from it..

The two kittens have been adopted, like fortunately many others, and have **found loving new homes!**

---

We are always in need of **flight sponsors** , **flight volunteers** to bring our darlings to their new owners overseas.

Please contact us, **also to bring serum for the blood test!**

Many darlings were able to fly overseas to their new homes. We are delighted that so many dogs and cats from and in **Germany, Switzerland, Austria, France, Spain, but also the USA and UK have found a new home.**

**We also celebrated Halloween!**

---

Here are some more insights into the work in our clinic

**DO YOU HAVE A PASSION FOR DOGS & CATS?**

**DO YOU WANNA SUPPORT AN AMAZING SHELTER IN KOH SAMUI?**

**DO YOU WANT TO ENJOY THE ISLAND LIFE?**

**We are looking for Volunteers**

**Things to do in the shelter:**

- 🐾 Cleaning & feeding

Many other projects on the island, including feeding and medical care for **around 100 dogs at the old pier in Ban Kao!**  
Many thanks to the many volunteers and visitors who don't hesitate to come along with us.

**Everyone is welcome to get to know the many great dogs there**

We have been helping at the **garbage dump and waste incineration plant for many** years now.  
It is hard to imagine the conditions under which the dogs and people live there!

Here's the call again if you want to support us: We have **great new T-shirts and cool caps**, we're trying to bring as many as possible to Germany. We have different designs! Please write to us if you want to help us, then I'll give you the contact details!

Many super **lovely and sweet dogs and cats** for adoption or for monthly support

**Christmas is just around the corner! Please don't forget us!**

---

We have been **supporting the temples on Koh Samui** for many years with food for their dogs and cats as well as with sterilizations, medical care, etc. We would like to thank the monks for their cooperation.

Our president Khun Wit is of course still leading the temple project and is in contact with the monks, so that we can react quickly even in emergencies

---

We provide immediate assistance in many daily emergencies of all kinds!

---

---

**Thanks again to the many visitors who support us here on site with food, medicine, financial support, etc. Without them, the Foundation would hardly be able to survive!**

---

We absolutely need products like Simparica, Nexgard Spectra and Bravecto against the many parasites, such as ticks, fleas and mites (mange) for our projects outside, but also in the animal shelter! One pack costs about 35 euros and we can treat an average of 9 dogs with it!

---

**We help everywhere on the island with food and medical care! Fortunately, we also have volunteers who drive around the island to feed and look after their pets.**

We will continue to help on the mainland in the future, as I believe that our commitment to animal welfare does not have to end at the borders of Samui!

---

**I would like to use this newsletter to remember Werner Gomm!**

Without him, this sanctuary would never have existed.

Werner's birthday was on October 3rd and he will be in our hearts forever!

**He was always a fatherly friend to me!**

Here again **the note that friends and supporters have founded a new, second non-profit organization in Germany!**  
We currently do not charge any account management fees on this account!

Here are the new bank details. The bank has waived our account management fees for the first 2 years!  
But of course you can continue to use the account you know!

**Email: [info@samuidogs.de](mailto:info@samuidogs.de)**

I would love to show you hundreds more photos, but unfortunately there isn't enough space in the newsletter, but here is a small selection nonetheless. Please follow us on social media channels to stay up to date

*Thank you for the great collage of Iris with her sponsored dog **Dodo-Sunshine!***

This is just a small insight into our daily work for the poor souls on Samui's streets. For current information, please follow me on Facebook and Instagram ([dog\\_and\\_cat\\_rescue\\_samui](#)) at:

**Marcus Samuidog Sauff and Dog and Cat Rescue Samui Foundation.**

Here too, unfortunately, the costs for food, medicine, electricity and petrol are rising almost daily! Please remember that the poor dogs and kittens almost always only have us and wait all day for their food ration and a few strokes!

**A 20 kg bag of food costs around 20 euros!**

Please continue to help us so that we can give the poor strays a life here.

We are very happy to **receive sponsorships for the dear souls in our animal shelter** who have not found a place to survive on the streets! Thank you all for your constant commitment to animal welfare!!!

Without you, we would never be able to carry out these treatments and feedings and thus save the lives of many furry friends every day!

Please continue to support us so that we can continue Brigitte's life's work!
