Koh Samui, October 2023

Dear friends and supporters Dog and Cat Rescue Foundation Samui!

**First things first, a big thank you to all of you!**

Without you it would Dog & Cat Rescue Samui Foundation doesn't exist and we couldn't handle the many hundreds of dogs & cats every day provide them with food and medicine, not to mention the many sterilizations & operations, which we do every day!

**Over the last almost 25 years we have more than 30,000 strilized!**

**At least 5 cats and/or dogs get neutered every day!**

**Our next project: We absolutely have to build a deep well (about 200m deep)!**

The water supply on the island is becoming more and more catastrophic!

The tap water is permanently turned off and we have to buy water!

In addition to the extreme financial burden, we often have the problem that the **water is only delivered in the afternoon, as private villas with pools are of course preferred.**

But we, or our dogs and cats, need fresh water in the morning!

Of course we have to have **new pumps and large tanks for the well**, as we need around 8000 liters per day.

An area on our property must be concreted and roofed for this purpose.

**Estimated costs: approx. 7,500 Euros**

**Many, many volunteers have found their way to us in the last few weeks and months to support us!**

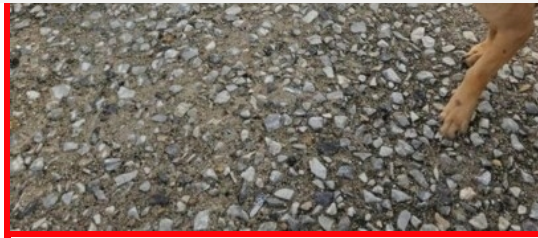

**They all work on a voluntary basis to help the poor animals on Koh Samui.**

My thanks of course go to everyone who helps with feeding, even for an hour or a day, goes running with the dogs, looks after and pets the cats in the cat house and of course also to our long-term volunteers:

**Anna, Yannick, Bine & Nika**

**Chantal with her great fundraising campaign of around €2600**

Tim & Leni, Hasse, David, Weisi  
Dr. Sohaib, Dr. David, Dr. Linda  
and many more

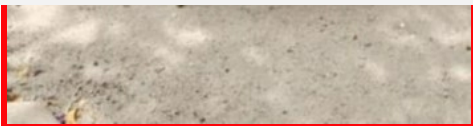

---

We are very pleased that more and more visitors and supporters have been finding their way to us recently. It is always an experience for our dogs and cats, when guests come to us with treats and/or cuddles

**Mega great fundraising campaigns from Vanessa (left) €1,600 and Natascha €1,000 (pictured above) Thank you very much again for this!**

-----  
It's great for our dogs and cats that many visitors from the island, but also from all over the world, find their way back to us.  
Tourists, guests, long-time supporters and many friends come almost every day  
to give our four-legged friends a cuddle and cuddle.

**We are very happy about donations in kind, such as food and collars as well as tools, building materials, etc. and financial support so that we can pay for medicine, wages, food, etc.!**

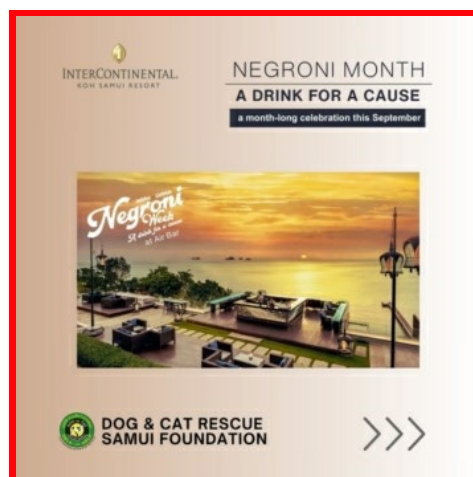

We are also very happy about (old) towels. So if you still have a few kg free on your trip to Samui, please fill your suitcases with them!!! **Visitors are welcome every day!**

We are there 7 days a week and are happy about everyone, who finds his way to us in Chaweng and also to Ban Taling Ngam.

Thank you very much for the great donations: Souvenirs, towels, toys, medication, food, leashes, collars, money etc

---

**Many thanks to InterContinental Koh Samui Resort for their promotion**

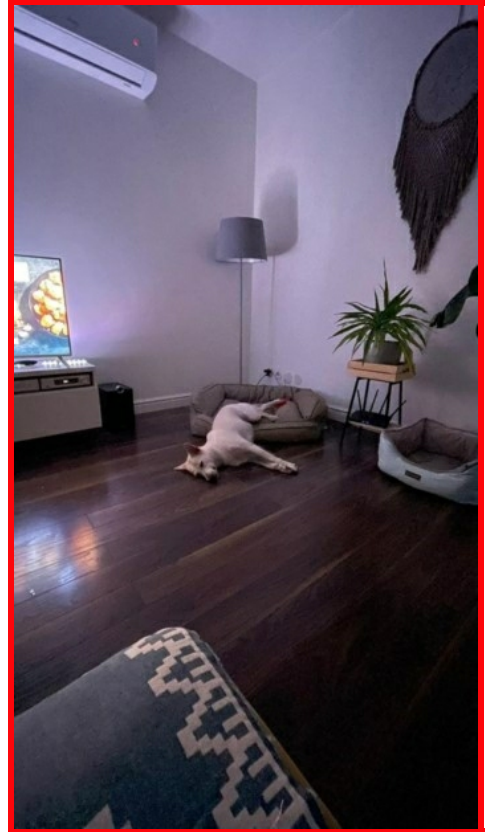

---

We always need **flight volunteers** to take our pets overseas to their new owners. **You will not have any work or costs!**  
Please contact us also if you would like to take **serum** with you for the blood test!

Many darlings were able to fly overseas to their new homes.  
We are pleased that so many dogs and cats from and in Germany, Switzerland, Austria, France,  
but also the USA and UK have found new homes.

---

---

We are pleased that **veterinary students from France** visited us again to learn with our doctors. Great support especially when **sterilizing dogs and cats**. Here are a few insights into our work in the clinic with the aspiring doctors!

**By the way, a television team from Pro7 visited us**

On the day off we went with our students and volunteers on a trip to Angthong Marine National Park!

Here is an insight into our many projects on the island, including feeding and medical care of about 150 dogs at the old pier in Ban Kao! Many thanks also to the many volunteers and visitors, who don't hesitate to accompany us.

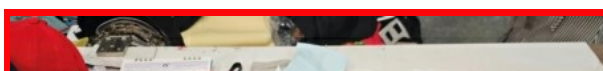

**Everyone is warmly invited to meet the many great dogs there**

We have been helping at landfills and waste incineration for many years now.

**It's hard to imagine the conditions under which the dogs and people live there!**

---

We have great new **T-shirts and cool caps**. Please write to us if you would like to help us and I will give you the contact details!

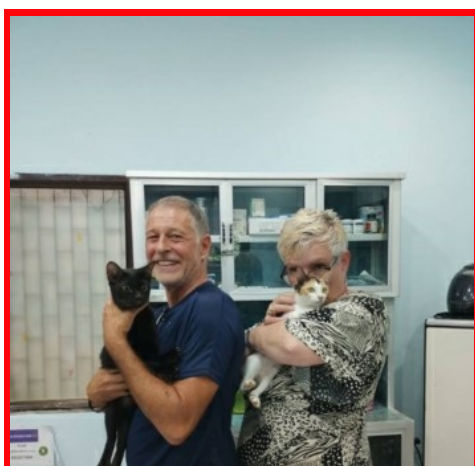

---

We help the poor population all over the island and support them with food and medicine.  
**We also sterilize their pets for free!**

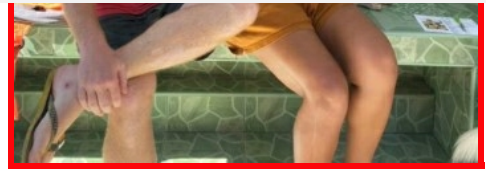

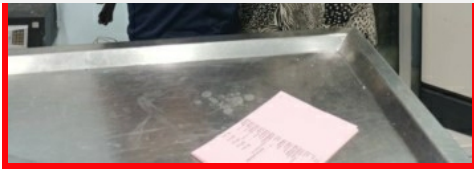

---

Many of our **darlings** were lucky enough to be adopted and find new homes, on the island and overseas

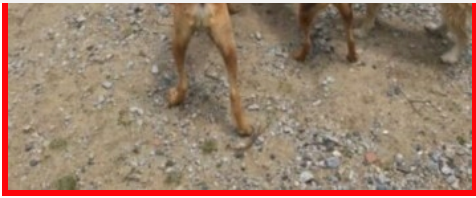

Öhrli und Iris, beide glücklich!

We have been **supporting the temples** on Koh Samui for many years with food for their dogs and cats as well as with sterilizations, medical care, etc. **We would like to thank the monks for their cooperation.**  
Of course, our president Khun Wit continues to lead the temple project and is in contact with the monks, so that we can react quickly even in emergencies

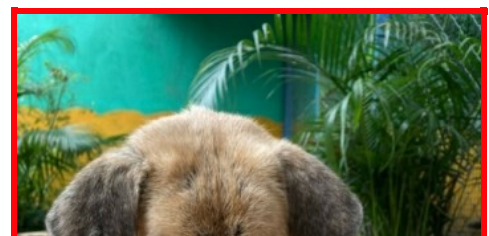

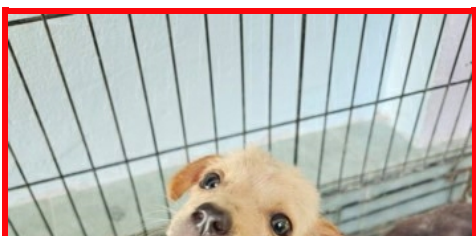

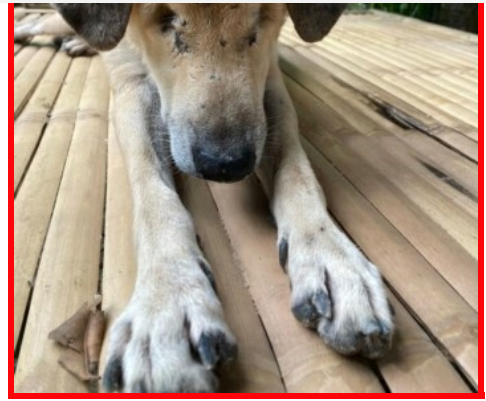

By the way, in most temples the cats and dogs live together ;-)

Here are just a few more **impressions of our work**, many daily emergencies that we treat for free!

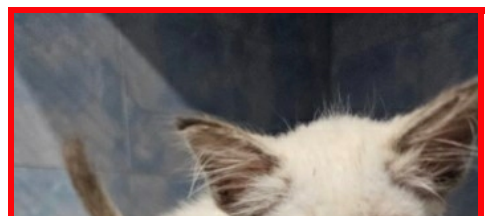

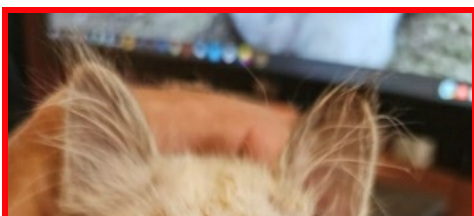

**There are many new cases of injuries, abuse, accidents, etc. every day that we have to take care of.**

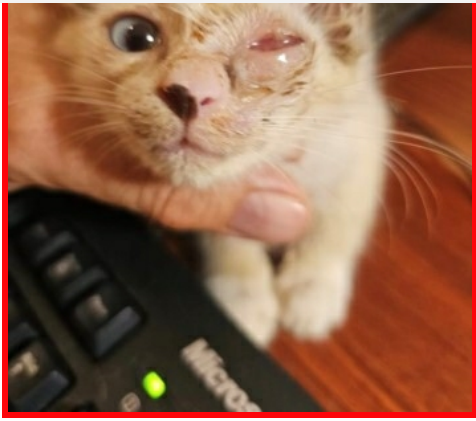

Of course, I would like to spare you photos of poisonings, amputations, etc. here in the newsletter!

Here are a few of our daily cases with dogs and cats; BEFORE/AFTER PATIENTS!

Bad, open cut caused by a knife, in the second picture after about 10 days of treatment!!!

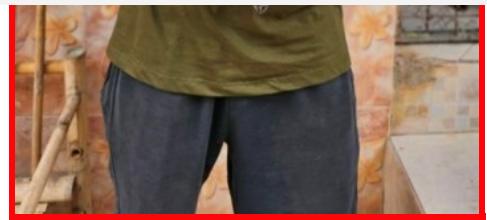

---

Thanks also to the many visitors who provided us here with food, Meds and financial etc. support.  
Without you, the Foundation would hardly be able to survive!

We absolutely need remedies like Simparica, **Nexgard Spectra** and Bravecto against the many parasites, such as ticks, fleas and mites (mange) for our projects outside, but also in the animal shelter! A pack costs around **35 euros** and we can treat an average of 9 dogs with it!

Look at **Bobo**, who is through our treatment and Richard's love & care has become a **beautiful, healthy dog** again!

A great campaign by **Claudia Pinto from St. Moritz**: She put a very special picture up for auction and donated almost all of

the proceeds to us! **Thanks to Roland and Wolfgang for the huge help of 1350 SFR for us!!!**

---

**We help with food and medical care all over the island!**

Luckily, we always have volunteers who drive around the island to feed and look after their pets.

We will continue to help **on the mainland** in the future as I think that our commitment to animal protection **does not have to end at the borders of Samui!**

---

---

Here again the note that friends and supporters have a new, have founded the **second non-profit organization in Germany!**

There are currently **no account management fees** for this account!

Here are the new bank details. Here the bank waived our account management fees for the first 2 years!  
Of course you can still use the other account you know!

I would like to show you hundreds of photos, but unfortunately there isn't that much space for that in the newsletter,  
but still a small selection.

**Please follow us on social media channels to stay up to date**

**This is just a small insight into our daily work for the poor souls on Samui's streets.**

For current information, please follow me on Facebook and Instagram (dog\_and\_cat\_rescue\_samui) at:

Marcus Samuidog Sauff and Dog and Cat Rescue Samui Foundation.

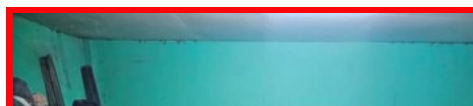

There I post daily current articles about the Dog Rescue Center and the island of Koh Samui.

Here too, unfortunately the costs for food, medicine, electricity and petrol are increasing almost daily!

Please remember that the poor dogs and kittens almost always only have us  
and wait all day for their food ration and a few cuddles!

**A 20 kg feed bag costs around 20 euros!**

**This is our ration for about 3 weeks!**

**Please continue to help us so that we can give the poor strays a life here.**

We are very happy about sponsorships for the dear souls in our animal shelter who have not found a place to survive outside on the street!

**Thank you to everyone for your continued commitment to animal welfare!!!**

Without you we would never be able to carry out these treatments and feedings and thus save the lives of many furry friends every day!

---

**Please continue to support us so that we can continue Brigitte's life's work!**
