Koh Samui, summer 2025

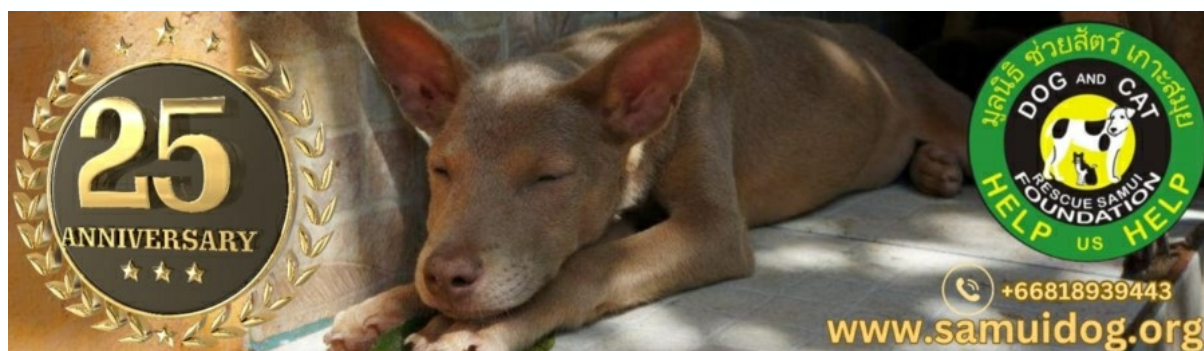

Dear friends and supporters of Dog and Cat Rescue Foundation Samui!

**First of all, thank you again for your tremendous support for our Foundation
and thus for the poor animals on Koh Samui's streets!**

Without you, the Foundation cannot exist, and we would not be able to provide the hundreds of dogs and cats with food and medicine every day, not to mention the many sterilizations and surgeries we perform every day!

Over the past 26 years, we have sterilized more than 35,000 dogs and cats and saved countless lives!
I would like to emphasize that we do not receive any support from the government or any other institution!

I have so many dear friends to thank who have supported us for so many years.
And of course, the ever-growing community of volunteers, students, helpers and many more from all over the world!

We have so many daily events surrounding the Foundation and our **two locations in Chaweng and Ban Taling Ngam** that the newsletter is far from sufficient to keep you fully informed.

So please follow us on Instagram, Facebook, and, most recently, TikTok and YouTube.

We're proud to say that we already have well over **12,000 real followers on Facebook** and almost **17,000 followers on Instagram**, and the number is growing daily!

Of course, as always, our most important and major pillar is our own veterinary clinic under the long-standing leadership of Dr. Sith (DVM)

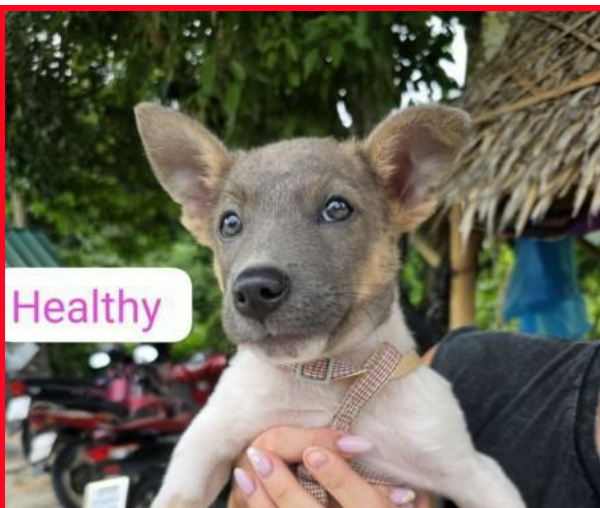

He is undisputedly a leading expert in the field of sterilizations. We perform **between 5 and 10 spays and neuters daily in our clinic**, as well as many other surgeries such as amputations, wound treatments, etc.

Students and veterinarians from all over the world come to us to learn from him and work with him!

Here the pictures after a few weeks of wound healing!

Many animal-loving visitors from all over the world found their way to us again to help and support us!
Many of our beloved animals also found new sponsors.

Many new sponsorships and adoptions thanks to the incredible help of **Hasse** from the Netherlands and **Zoe** from Australia!

PANTHER

ROMEO + JULIET

ADOPT US!

Romeo and Juliet belong together, like in the movie. They both have

their own friends but their hearts are definitely made for each other and they are **deeply bonded**. Romeo can be a bit of a playful rascal with his boy gang, but Juliet keeps him in check with a gentle nudge when things get too wild... and yes, he actually listens LOL! **Both walk beautifully on the leash and have calm, gentle natures (making them perfect for first-time dog parents).** **Romeo is quite possibly the world's best cuddler—he doesn't just snuggle, he melts into you. Juliet is just as affectionate, always nearby.** Together, they're pure joy. If you've got room in your heart (and home) for **two fur noses**, Romeo and Juliet are the perfect match for YOU!

Only through monthly sponsorship are we able to cover the high running costs.

Fixed costs for food, medication, wages, etc. unfortunately amount to around €30,000.

You can probably imagine that I often have more than one sleepless night trying to cover these costs.

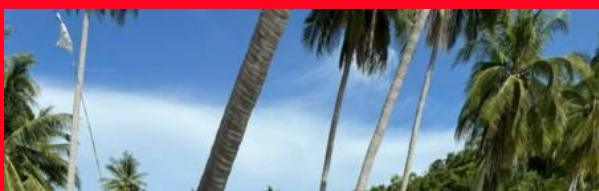

Please don't forget about our furry friends who are often on the other side of the world from you!

Fortunately, more and more short-term and long-term volunteers are finding their way to us.

This has become a major pillar of the Foundation and helps enormously improve the quality of life of our furry friends!

My special thanks go to Dr. Amy (DVM), Dr. David, and Hasse for their immense daily support, as well as to many others who give our furry friends the best possible life!

The **new cat house in Ban Taling Ngam** is finished. (Thanks again to Frank and Marco from the Netherlands for their financial support!) We were also able to open **our new cat café** last week.

I would like to express my sincere gratitude to **Ernst Ludwig Schimmeler from Bremen!**

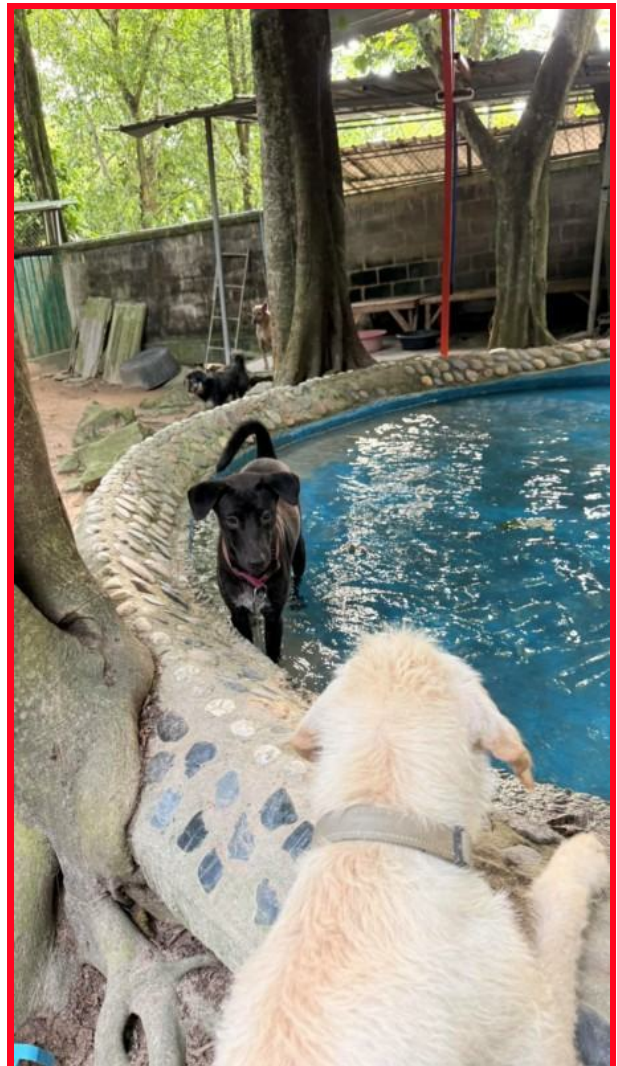

I'll tell you about the new cat café in a separate newsletter soon!

Thank you again to everyone for allowing us to take so many steps into the future to continue and better help the poor furry friends on Koh Samui!

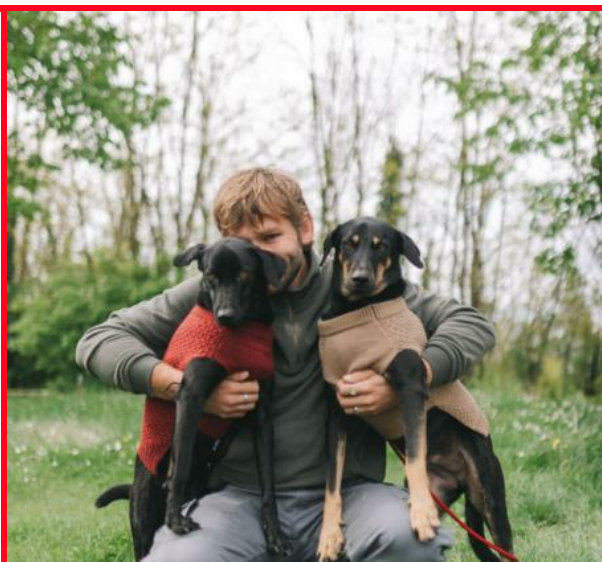

Almost **countless adoptions**: many, many dogs and cats have been adopted on the island, but also flown back to Germany and elsewhere in the world, or are waiting for their flight!!!

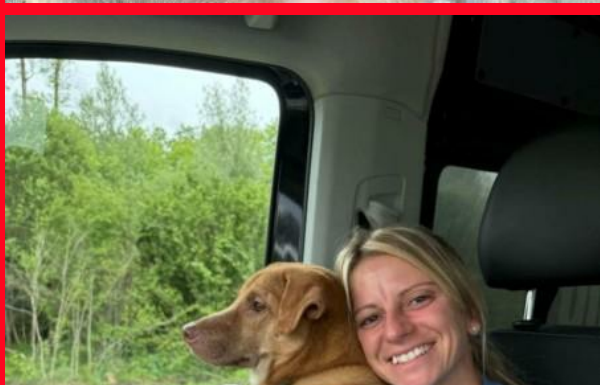

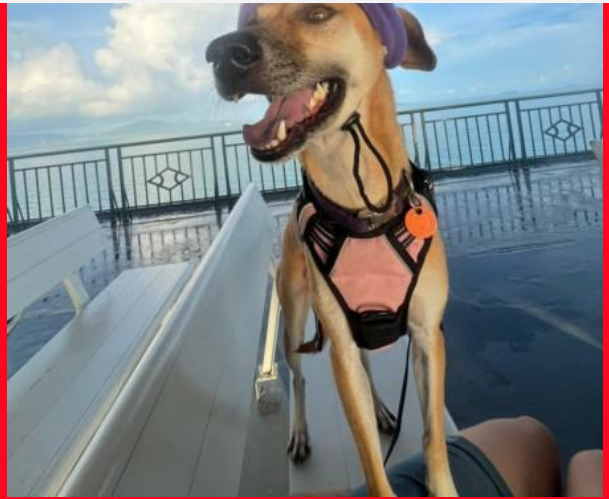

Thanks to all adopters, flight sponsors, and everyone who helps ensure that these beloved pets can travel to their new homes.

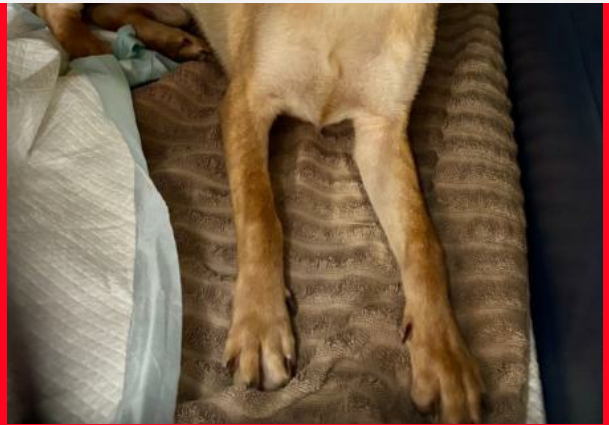

And of course, to all the adopters on Koh Samui. A special thank you to **Christine and Detlef** in Bangkok for their many years of perfect cooperation!

Many thanks to **Kimpton Kitalay Resort Samui in Chon Mon!**
About every three weeks, they pick up a few of our dogs and present them to their guests to raise funds for us!

So many helpers and volunteers who sacrifice their time every day to help us and our furry friends!

It's from 10am till 5 pm and we go together for lunch from 1 till 2 in a restaurant nearby. Mornings consist mostly of cleaning cat&dog areas, feeding dogs & washing dogs. After lunch it's time for the beachwalk!

Message us if you're interested or want some more information! 😊

Volunteer

Volunteers are always welcome! Previous experience is not required - only a love for animals is what we ask for. Please come visit our house in Chaweng or our shelter in Taling Ngam.

Treatment Program

The DRCS treats sick and injured animals that would otherwise not receive veterinary care. Neutering, medical treatments and vaccinations we offer are free for every dog and cat - with or without owner.

Hobo before & after treatment

Castration Program

All of our castrations are carried out by our own Thai vet. We make 6 operations every day. Strays but also domestic dogs and cats whose owners can't afford the cost of castration. This is the only proven way to reduce the unwanted growth in the population of street dogs.

HOW CAN YOU HELP

Please help us feed the dogs & cats of Samui and inform us if you see an injured or ill animal.

Sponsor a dog or cat:

We have many animals waiting for a sponsor! You can sponsor a dog or cat for as little as 25 Euro a month. You will be sent a certificate and update pictures.

How to become a sponsor?

1. Go to www.samuidog.org
2. Navigate to "How to Help"
3. Click "Adoption"

Here you'll find the dogs & cats that are still looking for a sponsor.

Donate

Donations make an incredible difference and allow us to feed, treat, shelter, and rehome more loving dogs & cats of Koh Samui. We have many donation boxes throughout Samui and you can also check our website for other donation methods. We have various donation accounts in many countries.

The Dogs & Cats of Koh Samui Need Your Help!

We Need Your Help

OUR AIMS:

- deworming and injecting all dogs & cats against rabies
- castrating/spaying all dogs & cats
- feeding those that otherwise go hungry
- treating injuries or sickness of those otherwise left suffering
- educating the people of Koh Samui about responsible pet-ownership
- sheltering and re-homing street dogs & cats
- treat dogs suffering from mange by injecting them with Ivermectin or by washing them with Amitraz

About us..

We are an official Non profit foundation set up by a small group of animal lovers back in April 1999. At that time there was no vet on the island and countless sick and injured dogs and cats died in wretched ways as they were completely ignored and left laying by the roadside. We employed a vet and a team of helpers and started with our neutering program. Since then and with the help of our animal friends from all over the world we've come a long way! 2024 marks our 25th year anniversary and by now we have neutered more than 35.000 animals and given a forever home to over 350 dogs and cats.

Dog and Cat Sanctuary

Open every day between 9 AM and 5:30 PM

In 2003 we opened our big dog and cat shelter in Ban Taling Ngam on 7200 M2 of land. We have an operation room, a puppy house with a quarantine station, a cat house, 10 outside compounds and 50 single boxes.

Cat House

We have lots of cats too. They all love to get spoiled and a visit at one of our shelters can be great fun, even with young kids. The animals in the house are very friendly and don't mind being carried around.

Every evening we throw a big fish party at our small shelter in Chaweng

Temple Project

For almost 2 decades, we have been providing dog & cat food, vaccinations, and medical attention for the dogs and cats at many of Samui's temples.

Every day, we feed approximately 600 dogs and cats in the shelter, at the temples, and on the streets on Koh Samui. Therefore we need more than 5000 kg of food per month. 10 kg of dry food costs approximately 12 Euro.

Come visit us at the big shelter in Ban Taling Ngam or at our office and small treatment station in Chaweng. If you fall in love with one of the dogs or cats here we can help you to bring it home. Over the years, many of the dogs and cats at the shelter have been given a forever loving home abroad.

Donations make an incredible difference and allow us to feed, treat, shelter, and rehome more loving dogs & cats of Koh Samui. We have many donation boxes throughout Samui and you can also check our website for other donation methods. We have various donation accounts in many countries.

We are recognized as an official Non-profit foundation in Thailand, Germany, and Switzerland. Donations made from these countries are tax deductible.

We support many volunteers with food every day on the island...

...and we feed them ourselves daily in many places on the island, often at night, since the fearful dogs only come out of their hiding places in the dark!

It's wonderful for our dogs and cats that many visitors from the island, but also from all over the world, are finding their way back to us. **Tourists, guests, long-time supporters,** and many friends are now coming almost daily to give our four-legged friends a cuddle and a treat.

We are very grateful for donations in kind, such as food and collars, as well as tools, building materials, etc., and for **financial support** so we can pay for medicine, wages, food, etc.! So if you have a few kilos of spare weight on your trip to Samui, please fill your suitcases with them!!!

Visitors are welcome every day!

We are here 7 days a week and are happy to welcome everyone who finds their way to us in **Chaweng and also in Ban Taling Ngam..**

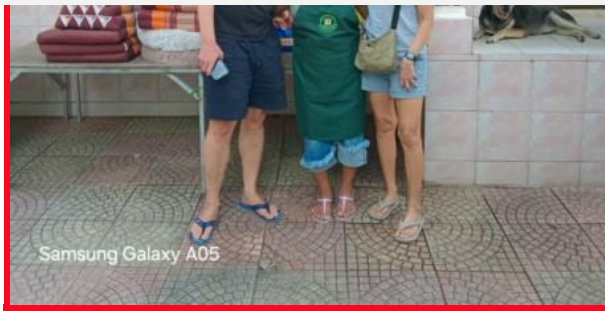

Unfortunately, there have been fewer and fewer tourists on the island over the last two to three months.

We're also missing out on visitors, and thus receiving fewer donations than before.

Unfortunately, the **exchange rate** has also deteriorated somewhat, so we're having trouble covering our running costs :-(If someone of would **sponsor a cat or dog**, it would be a huge help for our furry friends and the existence of the Foundation.

Hasse would then inform you about which cat or dog doesn't yet have a sponsor.

We're always in need of **flight sponsors** to bring our beloved pets to their new owners overseas. Please contact us, and we're also happy to bring **serum for blood testing** back to Germany!

Many beloved pets were able to fly overseas to their new homes.

We are delighted that so many dogs and cats from and in Germany, Switzerland, Austria, France, Spain, as well as the USA and UK, have found new homes.

DO YOU HAVE A PASSION FOR DOGS & CATS?

Dog and Cat Rescue Samui Foundation

Many other projects on the island, including feeding and medical care for about 100 dogs at the old pier in Ban Kao!
Many thanks also to the many volunteers and visitors who don't hesitate to join us.

Everyone is welcome to meet the many wonderful dogs there.

We've been helping at the landfill and incineration plant for many years now. It's hard to imagine the conditions under which the dogs and people live there! Many thanks also to Penny and Ralf from Lamai, who always help us with feeding at the old pier in Ban Kao!

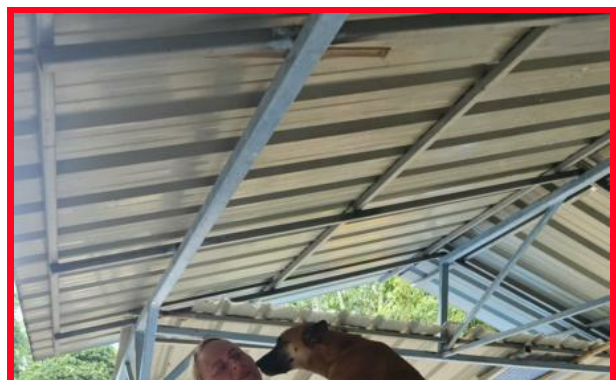

We're also trying to help more and more on the mainland.

Here's the call again if you'd like to support us:

We have great **new T-shirts and cool caps**, and we're trying to bring as many as possible to Germany.
We have a variety of designs! Please write to us if you'd like to help, and I'll give you Evelyn's contact details!

Many super sweet and cute dogs and cats for adoption or monthly support

Chollada Sirisant (Thai superstar) has already visited us in the new Cat Cafe and left us a generous donation

We have been **supporting the temples on Koh Samui** for many years, providing food for their dogs and cats, as well as sterilizations, medical care, and more. We sincerely thank the monks for their cooperation.

Temple Project: Sterilization, vaccination, feeding, medical care!

Khun Wit, our president, is the head of the temple project. He is in constant contact with the monks!

We cook 100 kg of rice and 80 kg of chicken every day, mixing it with carrots and oil. One of our staff members has to come every day, 7 days a week, at 7 a.m. to put the rice on the stove, because it takes until the afternoon to cool down.

We urgently need medications like **Simparica**, **Nexgard Spectra**, and Bravecto to combat the many parasites, such as ticks, fleas, and mites (mange) for our projects outside, but also at the shelter!

**One pack costs about €35,-
and we can treat an average of nine dogs with it!**

We help all over the island with food and medical care!

Luckily, we also regularly have volunteers who travel around the island to feed and check on their beloved animals.

We will continue to help on the mainland in the future, as I believe that our commitment to animal welfare doesn't have to end at the borders of Samui!

Here's a reminder that friends and supporters have founded a new, **second non-profit organization in Germany!**

The bank doesn't charge any account management fees for this account!

Please switch to this new account, as Yvonne and Evelyn's team can easily issue the donation receipts for you in Germany!

Please follow us on social media to stay up-to-date.

This is just a small glimpse into our daily work for the poor souls on Samui's streets. Please follow me for the latest information on Facebook and Instagram ([dog_and_cat_rescue_samui](#)) at:

Marcus Samuidog Sauff
and
Dog and Cat Rescue Samui Foundation.

There, I post daily updates about the Dog and Cat Rescue Samui Foundation and the island of Koh Samui.

Unfortunately, the costs for food, medicine, electricity, and gas are rising almost daily here too!
Please remember, the poor dogs and kittens almost always have only us, waiting all day for their food and a few cuddles!

A 20 kg bag of food costs about €20!

Please continue to help us so we can give these poor strays a new life. We are very grateful for sponsorships for the dear souls in our shelter who haven't found a place to survive on the streets! Thank you all for your continued commitment to animal welfare!!!

**Without you, we would never be able to carry out these treatments and feedings
and thus save the lives of many furry friends every day!**

Please continue to support us so that we can continue Brigitte's life's work!!
