Koh Samui , 31.07.2022

Dear friends and supporters Dog and Cat Rescue Foundation Samui!

One year ago, on August 1st, 2021, is ours Friend & Founder of Dog & Cat Rescue Samui Foundation,

Brigitte Jutta Gomm

passed away.

It was her wish to spend her last days with her four-legged friends
and loved ones and so declined chemotherapy in Bangkok..

**In memory of Brigitte, we want to honor her life's work today and also thank all
those who made this big animal protection project possible!**

More than 23 years ago, Brigitte and her husband Werner Gomm founded a small veterinary clinic in the north of
Chaweng **at their own expense and brought the FIRST veterinarian to the island.**

*She always said Koh Samui is a paradise for vacationers, but unfortunately **not for the poor street dogs and cats**
and their goal is that one day there will be no more strays through castration,
medical help and education of the population,
but that every animal will have an owner.*

Thus, over the many years, the veterinarians of our Foundation **more than 25,000 dogs and cats neutered**,
countless saved from certain death, given medical care and thousands
given a new home here on the island and abroad.

**Brigitte was and still is the driving force behind the Foundation
and is always and remains the idol for all of us and especially for me!**

I really hope that Brigitte is happy about the **many renovations and improvements in the shelter**, when she looks down on us from up there!

Thank you again to all the supporters who made this possible!

We are proud of the animal lovers everywhere in this world our foundation and therefore the poor dogs & cats didn't let you down on Koh Samui!

We were able to achieve a lot again in the last year!

We were able to save hundreds, maybe even thousands lives of dogs and cats.

**Many thanks also to Dr. Sith and his team,
who has been and remains loyal to us for so many years!**

Unfortunately, times are not easy for our Foundation this year either:
In the last 2 years, the Corona measures hit us hard, as no more guests and tourists came to the island and visited us, and new supporters of our foundation were almost completely absent.

This year it is the rising prices due to the global crisis!

Basically for everything, starting with the cost of dog food, which has increased by about 10%! We feed almost 1000 dogs and cats daily on the island, at the temples, on the old pier and "run" many other feeding stations on the island and support many volunteer volunteers with food.

Furthermore, medical costs, wages, fuel costs, costs for electricity, etc. have increased.

Please help us so that we can continue to help the poor strays here on the island!

Perhaps one or the other can increase their monthly sponsorship by 5 euros, that would help us immensely!

For up-to-date information, please follow us on Facebook and Instagram at:

There I post daily current articles about the Dog and Cat Rescue Foundation and the island of Koh Samui.

Unfortunately, the exchange rate between Euro and Thai Baht is still very bad. We lose about 5% when exchanging from Euro to Thai Baht compared to last year!

Please remember, the poor dogs and kittens almost always only have us and wait the whole day for their food ration and a few cuddles!

We are very happy about **sponsorships** for the dear souls in our shelter who have not found a place to survive on the street.

Thanks to everyone for your constant commitment to animal welfare!!!

Please continue to support us so that we can continue Brigitte's life's work!

Thank you from all of us from the bottom of our hearts for your support!
