Koh Samui, November 2021

Dear friends and supporters of Dog and Cat Rescue Foundation Samui!

Unfortunately the **pandemic still has us under control** and hardly any tourists come to Samui!

In addition, the **rainy season** started punctually at the beginning of November on Koh Samui!

We had hoped that we would be spared this year, but unfortunately that is not the case!

Of course, it always hits **our office in Chaweng**, near Laem Din Markt, particularly hard!

Although many **government measures** were taken on the main roads to direct the water masses towards the sea, **no improvement can be seen in the side streets.**

The water from the large Talad Dau (market) and Laem Din markets seeks the way towards Chaweng Lake. Unfortunately, **our houses (cat house and office with around 100 animals) are exactly in between.**

For days we had to **pump out water, fill sandbags and feed our dogs** from the "boat".

In our animal shelter in Ban Taling Ngam, the ceiling in **our kitchen has broken down** due to the masses of water! Fortunately, all of our dogs and cats, **have remained unscathed!**

Among other things, we had to buy 2 new pumps for Chaweng and Ban Taling Ngam.
Of course, some roofs also have to be repaired.

The **outside feedings** are also extremely difficult due to the rain, because the feed immediately becomes wet and inedible. Thanks to all the volunteers, without whom we would not be able to **care for around 1000 animals a day!**

This is just a small glimpse into our daily work for the poor souls on Samui's streets.

The **renovation work** in the shelter is progressing, I will tell you about it in the next info letter.

We are currently also building a new **cat quarantine station!**

For the latest news, please follow me on Facebook and Instagram at:

Marcus Samuidog Sauff and **Dog and Cat Rescue Foundation Samui.**

Here I post daily articles about the Dog Rescue Center and the island of Koh Samui.

Please remember, the **poor dogs and kittens almost always have only us** and wait all day for their food ration and a few pats! A 20 kg feed sack costs around 20 euros!

Please continue to help us so that we can give the poor strays a life here.

We are very happy about **sponsorships** for the dear souls in our animal shelter who have not found a place to survive out on the street!

Another special thank you goes to our clubs in Germany and Switzerland and to everyone who has set up collective accounts all over the world to support us here on site! Thank you for your constant commitment to animal welfare!

Thank you to all of you who help and support us!

Thank you for your support, your trust and your help,

Marcus
