Dear Animal friends

April 2020

We hope that you are all still going strong in this rather challenging time all over the world and that you have a free moment in your hearts and thoughts for our **Dog and Cat Rescue Samui Foundation**. We have faced many challenging times over the last 21 years but we could always count on the support of the many visitors for a helping hand or a generous donation. **We are still open for volunteers and visitors** who are in the position to come and help or support us with their donation but of course most of you had to change plans and are no longer able to visit us in person. A big Thank You to everyone who's been giving just that little extra-support to keep our Rescue running in this difficult time. Due to another (at least) 1-Month ban on entering Thailand, our long term volunteers Jay and Tom are still stuck in Switzerland which means Linda has been left alone with covering the never-ending outside and temple work. Thank you Linda for keep going strong!

Linda stays on top of the extra placed Food Stations all over the island

Anne and Julia are working hard on new fund-raising projects.

Special Thanks also to Annette who is giving 150% every day at our Chaweng office to help me with all the office work and the many challenges involved during this historical time. To all our helpers and our Manager Wit as well as our Vet Dr. Sith and our volunteers Sybille, Markus, Joelle and Marcus and every volunteer who gives an extra hand with feeding the many hungry mouths all around the island and at our shelter.

Please help us with a food donation or in any other way you can so we can continue helping the countless hungry, sick and injured dogs and cats on our beautiful Samui-Island. Donations are desperately needed. We Thank You!
