Dear Animal Lovers on Koh Samui,

December 2014

While Brigitte and Werner celebrated Christmas with their friends and family in Germany, our team of long term volunteers, our manager Wit and helpers have given their best to make sure that also over the celebration days, the dogs and cats on the island were getting the help they needed.

Thankfully things have not been overly crazy over the last week and therefore the DRCS-Team has everything under control and things are going smoothly. Yvonne stayed at Brigitte's house and office in Chaweng and together with our manager Wit, she has been making sure that 'every day business' continuous as usual while Jay gave her best to work off some of the office work.

We are happy to see our hard working volunteer Sybille (left) back on the island. She has changed a lot of doggie's lives for the better. Linda (middle) and Jay (right) from our Temple-Team are going strong with their "outside work", treating animals at the temples and on the streets.....

Tom from Switzerland has also worked some extra hours over Christmas.....

A big THANK YOU to everyone who has helped the Dog and Cat Rescue during the year. Only if we all work together, we can make a positive difference for our 4-legged friends.

Last but not least, A HUGE THANK YOU to our vet Dr. Sith who has been doing an amazing job throughout the year and we could not imagine running the Rescue Centre without him.
