Dear Animal Friends on Koh Samui,

February 2017

Due to the great response after our last monthly Newsletter, we decided to dedicate this month's Infoletter once again to the Hotels and Businesses who got out of their way to support us.

A very special THANK-YOU to the Chaweng Resort and to the Emerald Green Mens Club for their generous towel-donation!

Many people can probably not even imagine how important a comfortable `bed` can be for a sick dog who has lived all its life on the street and is now in intense medical care at our shelter.

A dry and comforting towel can be a life-saver!

In the name of all our dogs and cats undergoing treatment at our shelter as well as the many puppies and kittens: THANK YOU for helping us to HELP THEM!

Anyone who can spare some old towels or bed sheets for our many animals, please contact us via Phone or E-mail and we are happy to come and pick it up – THANK YOU!

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
