Dear Animal friends

February 2019

**Many thanks to**

**MILLENIUM VENTURE SAMUI  
COMPANY, 105/5 Moo1 Maret**

**for their huge Meat-Donation!**

Totally unexpected they contacted our manager Wit and informed him about the huge donation they were about to make. Of course we never expected such a huge amount of sausages, ham, meat balls, chicken wings, bacon and much more for our dogs.

Honestly speaking, we were a little overwhelmed at first. Our freezers could only fit a small amount so we immediately started cooking. We bought a huge new pot which we cooked with for about 5 days straight through and one helper even did a night shift. Of course we had several feeding-parties in between. The dogs were in heaven! We now have enough stock for two weeks and do not have to buy any – which of course is great.

So THANK YOU AGAIN VERY MUCH!!

**Please call us or come by our office in Chaweng or the big shelter in Baan Taling Ngam if you think you can help by giving one of our many souls a new home –  
THANK YOU!**

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
