Dear Animal Lovers on Koh Samui,

July 2010

This month we would like to dedicate our monthly newsletter to all our dogs and cats at the DRCS-Shelter in Baan Taling Ngam and Chaweng. We have about 300 dogs living at the DRCS. Most of them were found with severe injuries or a serious illness. Many of our dogs had some sort of a caretaker when they first came to us, but were then abandoned and the owner was unreachable. If it's the case that we know the dog comes from an unsafe environment, we often have no choice but keeping the animal at the shelter. It's usually the puppies and kittens we manage to find a home for and only very seldom one of our older dogs (over 6 months) finds a new home.

We have 300 dogs and about 150 cats, all healthy and in all different colours and sizes. Big and small, young and old, thick and thin, long or short hair, with 4 and 3 legs, with 2 or 1 eye...we've got it all!

PLEASE HELP BY GIVING A DRCS-DOG OR CAT A NEW HOME!

We hope that with this months' Info Letter some of our animals will find a new home and -perhaps for the first time in their lives- an own family..... Thank you in advance for your support!

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes
 Brigitte
