Dear Animal Lovers on Koh Samui,

June 2015

A huge THANK – YOU to our great supporter **Silvana** from **Switzerland** who has collected a great amount of donations in Switzerland to have a specially designed DogRescue-Sidecar built and we also bought a new motorbike. Walter Lehmann who's been living in Lamai a long time and is a good friend of Silvana has designed it, so Thank You very much too for the great job!

Perhaps you have seen our helper Don on the road already; he loves his new vehicle and works mainly in the Lamai-area. If you have any sick or injured dogs to report in this area, please contact

**Don** directly under: **081 985 15 23**

As you know from our previous Info Letter, we have collected some donations for rebuilding a new cage for the monkey Lingling who lives in this totally dilapidated cage. We actually planned the cage construction weeks ago but we simply didn't have the helpers to do it. The ones who know how to weld had resigned exactly when we needed them the most. Finally we have now employed a great welder who will start with the cage very soon. We have already taken the exact measurements, have ordered all the material and are ready to get started now. Here is the link to Lingling's full story and many pictures of his horrible cage:

### Operation list May 2015

DOG (FEMALE)	DOG (MALE)	CAT (FEMALE)	CAT (MALE)	OTHER	TOTAL

Thank you very much for all your help. We hope we can count on your continued support so that we can make even more progress in the future. We believe our efforts to make Koh Samui more animal-friendly have made it a happier and safer place for tourists, for which the tourists are grateful. Our four-legged friends are most grateful for your contribution!

Best wishes

Dear Animal Lovers on Koh Samui,

June 2015

A huge THANK – YOU to our great supporter **Silvana** from **Switzerland** who has collected a great amount of donations in Switzerland to have a specially designed DogRescue-Sidecar built and we also bought a new motorbike. Walter Lehmann who's been living in Lamai a long time and is a good friend of Silvana has designed it, so Thank You very much too for the great job!

Perhaps you have seen our helper Don on the road already; he loves his new vehicle and works mainly in the Lamai-area. If you have any sick or injured dogs to report in this area, please contact

**Don** directly under: **081 985 15 23**

As you know from our previous Info Letter, we have collected some donations for rebuilding a new cage for the monkey Lingling who lives in this totally dilapidated cage. We actually planned the cage construction weeks ago but we simply didn't have the helpers to do it. The ones who know how to weld had resigned exactly when we needed them the most. Finally we have now employed a great welder who will start with the cage very soon. We have already taken the exact measurements, have ordered all the material and are ready to get started now.
