Dear Animal friends

May 2017

Our top-manger Wit (yellow shirt) with some of our helpers and the two vet student volunteers Jasmine and Emilie

With Brigitte and Werner in Germany, the rest of the team has to work even harder in order to keep things running smoothly. Sadly Brigitte's mother has passed away while she was there in Germany so she decided to stay probably until the middle of July in order to take care of her father and get the necessary things organized. We are very thankful that our manager Wit is still going so strong and is keeping everything well together. Also our team of helpers are aware that it's important to do a good job and are working well to keep things running as good as we can. A special thanks to our great vet Dr. Sith, we would not know what to do without you. Especially at the moment he has his hands absolutely full not only with the uncountable dogs and cats that come in sick or injured every day but also the many vet students we have visiting from all over the world appreciate his attention.

## THANK YOU Dr. SITH FOR EVERYTHING YOU DO EVERY SINGLE DAY!

A big ThankYou also to our main outside and Temple-Team Linda, Jay & Tom for their tireless work each day!

A further Thank you

to Sybille from Germany who has been doing an amazing job at the shelter as well as all the volunteers and people helping to help the many dogs and cats we are taking care of!

Usually Brigitte and Jay are alone with all the office work, so especially at this time we are very happy to have Sven here from Germany helping out in the office and the daily action at the Chaweng shelter/office. You've done a great job and we hope you will stay with us for a long time to come! THANK YOU SVEN! Sven and Jay (picture on the right) are trying their best to keep the office part covered. Thank you for your understanding in case things are not getting done or replied as quick as hoped.
