Dear Animal friends

November 2019

Unbelievable that this is already the last info letter before Christmas. Brigitte will be in Germany over Christmas, while Annette holds the position at the office in Chaweng and our manager Wit will –as always do a great job to keep things together. Thankfully so far the monsoon rains have stayed away and everyday Dog Rescue business is a lot easier to manage with the occasional sunshine instead of floods. Even though we are a small team, we will give

our very best to have everything covered and help as many dogs and cats on Koh Samui as possible.

Due to some serious financial difficulties, we have all worked hard to get some extra donations together. Our new long term volunteer Anne from London and Jay from our Temple-Team are doing additional fundraising in order to keep our Temple Project going for the next few months. We have to come up with about 60.000 Baht/month just for the dog food our Team delivers every month to the temples, villages and for our outside food stations. A huge THANK YOU to everyone who has supported us through the Crowdfunding project in the past few weeks! It's been a great success and we are so happy to keep this project going. If you can help with a donation for dog food, please go to the following link to place your donation:
