Dear Animal friends

October 2017

Unfortunately, I have very sad news. My husband died unexpectedly. He has had an accident last October and he was at the hospital in Samui and in Bangkok for 3 ½ months.

In May we flew to Germany because my mother had become very sick. After a short illness she then peacefully died in her sleep. In Germany Werner had to go back to the hospital because he still had to fight with the consequences of the accident and had to be operated again.

Recently I was back in Germany for two weeks and during this time he was doing quite ok. Unfortunately he passed away the day before he was supposed to visit the wellness/recovery centre.

I will fly to Berlin in the next few days and take care of the funeral, the house dissolution and 1.000 other things....

Jay will answer emails twice a week and Wit, our manager, will do his best to keep everything running. At the end of November, Sven will also be back in the house and take care of visitors and help Jay with the office work. At the moment, we have a good helper team and the dogs and cats will be well supplied without my presence. One of our assistants is living in the neighbouring house for almost two years now and will ensure that all dogs will find a safe place in the coming rainy season and that none will drown. The water was sometimes up to a meter high in the last few years. Let's hope it won't get as bad this year ...

Please do not let us down and support us in this difficult time, THANK YOU VERY MUCH!
