Dear Animal friends

October 2019

Dear Animal Friends, Our crowd funding campaign for the Temple Project is going amazingly well and we are utterly grateful for your support!

Thank you for all your donations and kind words - thank you from the bottom of all our hearts. With your donations, we have been able to continue the Temple visits these past 3 weeks.

One of our key members, Tom, came back from Europe and was able to pick up the work immediately.

Many sick and injured dogs have been treated and thanks to you the hundreds of hungry dogs have been fed.

We have also been able to continue our sterilization of the Temple and street dogs which is key to be able to control the population and limit the spread of disease.

Now for the last hurdle! If we want to make it through the monsoon, which has barely started, we need a final push for the last €3000.

Please do not forget to click on the link and then it's simply another click away to donate:
