

TEMPLE PROJECT – 2010

The Temple Project is now in its third year and has proven to be very successful. Hundreds of dogs and cats have been treated without being removed from their familiar environment.

Jay and Linda are both very happy with the trust and confidence they have established with the monks around the island

Abandoned Mum with her 13 babies found a new shelter place at the temple.....

.....and baby No.14 was found 1 day later and brought to the rest of the family.....

ThankYou *Tom* For Your Great Help And Support
Whenever You're On The Island!
